

Dukane ImagePro 8960WUSS

EAN/UPC:605194007059

DUKANE IMAGEPRO 8960WUSS

A brief introduction to the ImagePro 8960WUSS: The Dukane laser DLP projector offers 6000 Ansi lumens, a contrast of 1500000:1 and a WUXGA 1920 x 1200 resolution. The lifespan of the laser is 20000 hours, which is equivalent to over 13.7 years at 4 hours per day. With the lens shift function, the projector can be positioned very freely. The projector can illuminate images up to 787 cm wide thanks to its 6000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 525 cm. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). 1080P playback is also no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. It was launched in 2019 and is no longer offered by the manufacturer Dukane.

Brief Introduction Beta 2.5

Display Type

1 x DLP Chip
WUXGA 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

6000 2667 Lux (bei 200 cm Screen)
