

Dukane ImagePro 8976SX

DUKANE IMAGEPRO 8976SX

Brief Introduction

Beta 2.5

The Dukane ImagePro 8976SX model is an LCD projector with SXGA+ 1400 x 1050 resolution and a contrast of 3000:1. The integrated media player can play files directly. 5000 Ansi lumens ensure that a picture width of 616 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 411 cm. It is also Full HD 1080P compatible and even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection. It was launched in 2012 and is no longer offered by the manufacturer Dukane.

Display Type

3 x LCD TFT Panel
