

Eiki C602

EIKI C602

The Eiki Model C602 is an LCD laser projector with WUXGA 1920 x 1200 resolution and a contrast ratio of 5000000:1. The laser has a service life of 20,000 hours, which equates to over 13.7 years of enjoyment at four hours per day. The integrated lens shift gives you freedom when setting up the projector. An image width of up to 787 cm is possible, as the projector has 6000 ANSI lumens. The projector can handle rooms with residual light with a smaller image width; we would recommend a maximum of 525 cm. The projector can also play 1080P and 4K (compressed) content without any problems, and even has the option of projecting HD 1080P and 4K (compressed) Blu-rays onto the ceiling thanks to its 360° projection.
