

Eiki EK-401WA

EAN/UPC:4571194675635

EIKI EK-401WA

Brief Introduction

Beta 2.5

A brief introduction to the Eiki EK-401WA. The DLP projector has a WXGA 1280 x 800 resolution and a contrast of 10000:1. The projector will be able to illuminate a picture width of 689 cm well. The projector can manage rooms with residual light with a smaller image width, we would recommend a maximum of 459 cm here. Even 1080P video signals are no problem for the projector. The model built in 2017 is no longer offered by Eiki.
