

Eiki LC-XNS2600

EIKI LC-XNS2600

A brief introduction to the LC-XNS2600: The Eiki standard portable LCD projector offers 2600 Ansi lumens, a contrast of 2400:1 and an XGA 1024 x 768 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. The projector can illuminate a picture width of up to 444 cm thanks to the 2600 Ansi lumens. In room light, however, the picture width should ideally be less than 296 cm. Playing 1080P is also no problem for the projector. This model is no longer offered by Eiki.
