Epson EB 440W

Brief Introduction
Beta 2.5

A brief introduction to the Epson EB 440W. The short-throw LCD projector has a WXGA 1280 x 800 resolution and a contrast of 2000:1, including an integrated media player for direct file playback. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector needs to be just 74 cm away from the screen. As the EB 440W is equipped with a microphone jack plug and 10W speakers, no additional audio system is required for presentations or training courses. It was launched on the market in 2010 and is no longer offered by the manufacturer Epson.
