A brief introduction to the Epson EB 585WI. The LCD projector has a WXGA 1280 x 800 resolution and a contrast of 10000:1. The manufacturer Epson specifies a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours per day. The integrated media player allows files to be played directly. An image width of up to 584 cm is possible as the projector has 3300 Ansi lumens. However, if room light is available, the image should be max. 389 cm wide. The projector offers an interactive whiteboard function for interactive training courses and presentations. On the market since 2014, the model is no longer offered by the manufacturer Epson, but is still one of the very popular projectors.
