

Epson EB G6170W / NL

EPSON EB G6170W / NL

The Epson EB G6170W / NL stationary LCD projector has 6500 Ansi lumens, a contrast of 5000:1 and an XGA 1024 x 768 resolution. Including a lens shift and keystone correction function, which provides freedom during installation. Thanks to the brightness of 6500 Ansi lumens, an image width of 702 cm is possible. The projector can also handle slightly brighter rooms with a smaller picture width (we recommend max. 468 cm). Furthermore, it is Full HD 1080P compatible and can even project Blu-rays onto the ceiling thanks to 360° projection. The model was built by Epson in 2015 and is no longer current.

3 x LCD TFT Panel
XGA 4/3 Liquid Crystal Display
