

Epson EB G6470WU / NL

EPSON EB G6470WU / NL

The stationary EB G6470WU / NL LCD projector from Epson has 4500 Ansi lumens, a contrast of 5000:1 and a WUXGA 1920 x 1200 resolution. Includes an integrated media player for direct playback of files. The projector also offers a lens shift function that makes image adjustment childs play. 4500 Ansi lumens ensure that a picture width of 682 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. Playing 1080P is also no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection. This model is no longer offered by Epson.

3 x 0,76" LCD TFT Panel
WUXGA 16/9 Liquid Crystal Display
