

Epson EH TW5350 /S

EPSON EH TW5350 /S

The Epson EH TW5350 /S 3D LCD home cinema projector has 2200 Ansi lumens, a contrast of 35000:1 and an HDTV 1920 x 1080 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours every day. Built-in horizontal and vertical keystone correction provides freedom when positioning the projector. An image width of up to 477 cm is possible. However, the image should be smaller in room light. We recommend max. 318 cm. The projector has Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. The projector can also play 1080P and 3D without any problems. It was launched in 2015 and is no longer offered by the manufacturer Epson, but is still a popular projector in our database.
