

Epson EH-TW5750S

EPSON EH-TW5750S

A brief introduction to the EH-TW5750S: The Epson standard portable 3D LCD projector offers 2700 Ansi lumens a contrast of 70000:1 and a HDTV 1920 x 1080 resolution. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate an image width of up to 528 cm thanks to its 2700 Ansi lumens. In room lighting, however, the picture width should ideally be less than 352 cm. Video signals 1080P and 3D are also no problem for the projector. The operating noise of just 27 decibels makes the projection quiet. The projector was launched in 2020 and is no longer sold by the manufacturer.

Brief Introduction

Beta 2.5

Display Type

3 x 0,61" LCD TFT Panel
HDTV 16/9 Liquid Crystal Display
