

Epson EH-TW7100

EPSON EH-TW7100

The home theater EH-TW7100 3D LCD has 3000 Ansi-Lumen, a contrast of 100000:1 and a HDTV 1920 x 1080 resolution. The projector also offers a lens shift function that makes image adjustment child's play. The projector can illuminate an image width of up to 556 cm thanks to its 3000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 371 cm. Playback of 1080P and 4K (compressed) as well as 3D is also no problem for the projector, meaning that all currently available Blu-ray formats can be recognized by the projector.

3 x 0,61" LCD TFT Panel
HDTV 16/9 Liquid Crystal Display
