

# Epson USA EX3212

EPSON USA EX3212

## Brief Introduction

Beta 2.5

The Epson USA EX3212 LCD projector has 2800 Ansi lumens, a contrast of 3000:1 and an SVGA 800 x 600 resolution. Manufacturer Epson USA specifies the lamp life as 4000 hours, which is equivalent to over 5.5 years at 2 hours per day. The projector also offers an integrated media player that can be used to play files directly. The horizontal and vertical keystone correction provides leeway when setting up. 461 cm picture width, the projector will be able to illuminate well. However, if room light is available, the picture width should ideally not exceed 307 cm. Even 1080P video signals are no problem for the projector. The projector was launched in 2012 and is no longer sold by the manufacturer.

3 x 0,55" LCD TFT Panel  
SVGA 4/3 Liquid Crystal Display
