

Epson USA PowerLite Pro Cinema 7500UB

A brief introduction to the PowerLite Pro Cinema 7500UB: The Epson USA home cinema LCD projector offers 1600 Ansi lumens, a contrast of 75000:1 and an HDTV 1920 x 1080 resolution. The lamp in the projector is specified with 4000 hours lamp life, which is over 5.5 years with a daily viewing of 2 hours. The integrated lens shift gives freedom when positioning the projector. 406 cm image width, the projector will be able to illuminate well. However, if room light is available, the image width should ideally not exceed 271 cm. Even 1080P video signals are no problem for the projector. With only 30 decibels of operating noise, the model is already very quiet compared to others. This model is no longer offered by Epson USA.

Brief Introduction

Beta 2.5
