Epson USA BrightLink 1485Fi

3LCD | **Kurzdistanz**
WiFi Integriert | **Laser**
Netzwerk | **USB**

Brief Introduction
Beta 2.5

The BrightLink 1485Fi laser LCD projector from Epson USA has 5000 Ansi lumens, a contrast of 2500000:1 and a WXGA 1366 x 768 resolution. The service life is 20000 hours due to the laser, which is over 13.7 years with a daily viewing time of 4 hours. Horizontal and vertical keystone correction makes setting up the picture childs play. 5000 Ansi lumens ensure that a picture width of 718 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 479 cm. Even 1080P video signals are no problem for the projector.
