

# Epson USA EX3280

EPSON USA EX3280

The standard portable EX3280 LCD projector from Epson USA has 3600 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. Manufacturer Epson USA specifies the lamp life as 12000 hours, which is over 16.4 years if enjoyed for two hours every day. The projector also offers an integrated media player that can be used to play files directly. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. Thanks to the brightness of 3600 Ansi lumens, a picture width of 523 cm is possible. The projector can also handle slightly brighter rooms with a narrower image width (we recommend a maximum of 349 cm).

 3 x LCD TFT Panel  
XGA 4/3 Liquid Crystal Display
