

# Epson USA Pro EX10000

EPSON USA PRO EX10000

A brief introduction to the Pro EX10000: The Epson USA laser LCD projector offers 4500 Ansi lumens, a contrast of 2500000:1 and a WXGA 1366 x 768 resolution. Due to the laser, the projector is specified with 20000 hours of light life, which converts to over 13.7 years at 4 hours per day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. 4500 Ansi lumens ensure that a picture width of 682 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. The projector has Chromecast and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. Even 1080P playback is no problem for the projector.

## Brief Introduction

Beta 2.5

## Display Type

3 x LCD TFT Panel  
WXGA 16/9 Liquid Crystal Display

## Ansi-Lumen

4500

2000 Lux (bei 200 cm Screen)

## Contrast
