

# ExquizOn S6

EXQUIZON S6

## Brief Introduction

Beta 2.5

The Game-Portabel ExquizOn S6 LED DLP projector has 100 Ansi lumens, a contrast of 1000:1 and a WVGA 854 x 480 resolution. The manufacturer specifies an LED service life of 30,000 hours, which is over 20.5 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 102 cm well thanks to the 100 Ansi lumens. In room light, however, the picture width should ideally be less than 68 cm. The built-in 2500 mAh battery lasts for approx. 2 hours and does not require a power supply, allowing the projector to be set up quickly and flexibly. As the projector optionally recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). The model is also Full HD 1080P compatible. The projector was launched in 2017 and is no longer sold by the manufacturer.

1 x DLP Chip  
WVGA 16/9 Ti Digital Light Processing Chip
