

Fuchiview PPP01

FUCHIVIEW PPP01

Brief Introduction

Beta 2.5

A brief introduction to the Fuchiview PPP01. The game-portable LCOS projector has a VGA 640 x 480 resolution and a contrast of 260:1. The projector also offers an integrated media player with which files can be played directly. The rechargeable projector is not dependent on a direct power source and can therefore be set up very quickly, freely and spontaneously. The model was built by Fuchiview in 2011 and is no longer current.
