

Geha compact 009

GEHA COMPACT 009

Brief Introduction

Beta 2.5

The compact 009 DLP projector from Geha has 1000 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Thanks to the brightness of 1000 Ansi lumens, a picture width of 275 cm is possible. In room light, the picture should be max. 183 cm wide. The projector is no longer sold by the manufacturer, but is still very popular in our projector database.
