

Geha compact 223

The standard portable compact 223 DLP has 4000 Ansi lumens, a contrast of 2500:1 and an XGA 1024 x 768 resolution. Includes a lens shift and keystone correction function, which provides freedom during installation. An image width of up to 551 cm is possible as the projector has 4000 Ansi lumens. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 367 cm. It is also Full HD 1080P compatible. On the market since 2009, the model is no longer offered by the manufacturer Geha.
