

Geha compact 229

GEHA COMPACT 229

Brief Introduction

Beta 2.5

With the compact 229, manufacturer Geha offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 3000:1. 2800 Ansi lumens ensure that a picture width of 461 cm is also possible. However, if room light is available, the picture should be max. 307 cm wide. The operating noise of only 30 decibels makes the projection quiet. The model was built by Geha in 2009 and is no longer current.
