

Hewlett Packard BP5000 PLUS

HEWLETT PACKARD BP5000 PLUS

A brief introduction to the BP5000 PLUS: The Hewlett Packard laser DLP projector offers 6000 Ansi lumens, a contrast of 500000:1 and a UHD (4K2K) 3840 x 2160 resolution. Due to the laser, the projector is specified with 25000 hours of light life, which is over 17.1 years with a daily viewing time of 4 hours. With a projection ratio of just 0.233:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 47 cm away from the screen. Another extra is that the Bluetooth function allows the projector to be connected to external wireless speakers. Furthermore, the projector can play 1080P and 4K without any problems.
