

Hisense 100L5G-DLT100B

EAN/UPC:888143012940

The Hisense 100L5G-DLT100B laser DLP projector has 2700 Ansi lumens, a contrast of 1000000:1 and a UHD (4K2K) 3840 x 2160 resolution. Thanks to the laser technology, the projector has a light life of up to 25,000 hours, which is equivalent to over 17.1 years at 4 hours per day. Thanks to the short-throw projection ratio of just 0.25:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 50 cm away from the screen. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube as well as games and other interactive content. With the integrated Google Assistant, the projector becomes a hub in the smart home, combining voice control and a wide range of functions. The model is also Full HD 1080P and 4K compatible. This model is no longer offered by Hisense.
