

Hisense PX3 Pro

HISENSE PX3 PRO

The short-throw PX3 laser DLP projector from Hisense has 2800 Ansi lumens, a contrast of 2000000:1 / 3000:1 and a UHD (4K2K) 3840 x 2160 resolution. Thanks to the laser, the service life is 25,000 hours, which is over 17.1 years if enjoyed for four hours a day. The integrated media player allows files to be played directly. With a projection ratio of just 0.21:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 42 cm away from the screen. The model recognizes DLNA, Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Another extra is that the projector can be connected to external wireless speakers using the Bluetooth function. Playing 1080P and 4K is also no problem for the projector.

Brief Introduction

Display Type

1 x 0,47" DLP DMD Chip
HDTV 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

2800 1244 Lux (bei 200 cm Screen)

Contrast

2000000:1 full on/off / 3000:1 2000000:1 full on/off / 3000:1

Black Level Offset

0,0014 min. Lumen 0,001 min. Lumen
