

Hitachi CP-EX4551WN

HITACHI CP-EX4551WN

The standard portable CP-EX4551WN LCD has 4500 Ansi lumens, a contrast of 20000:1 and an XGA 1024 x 768 resolution. The lamp life is up to 12500 hours, which is over 17.1 years if enjoyed for two hours a day. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. The projector can illuminate images up to 584 cm wide thanks to its 4500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 389 cm. The model is also Full HD 1080P compatible. On the market since 2017, the model is no longer offered by the manufacturer Hitachi.

Brief Introduction

Beta 2.5

Display Type

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display
