The Hitachi ED S3170/A/B LCD projector has 1700 Ansi lumens, a contrast of 300:1 and an SVGA 800 x 600 resolution. The horizontal and vertical keystone correction provides leeway when setting up. The projector can illuminate a picture width of up to 359 cm well thanks to the 1700 Ansi lumens. In room lighting, however, the picture width should ideally be less than 239 cm. It was launched in 2003 and is no longer offered by the manufacturer Hitachi.
