

Hitachi LP-WU6500

HITACHI LP-WU6500

The stationary Hitachi LP-WU6500 3D DLP projector has 5000 Ansi lumens, a contrast of 30000:1 and a WUXGA 1920 x 1200 resolution. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate a picture width of 718 cm well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 479 cm here. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. Video signals 1080P and 3D are also no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection. The projector was launched in 2018 and is no longer sold by the manufacturer.

Brief Introduction

Beta 2.5

Display Type

1 x 0,67" DLP Chip
WUXGA 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 5000

Screen 2222 Lux (bei 200 cm Screen)

Contrast
