

HongTianPao DLP-600B

HONGTIANPAO DLP-600B

Brief Introduction

Beta 2.5

A brief introduction to the DLP-600B: The HongTianPao micro-portable 3D LED DLP projector offers 500 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies an LED service life of 30,000 hours, which equates to over 20.5 years at 4 hours of use. 500 Ansi lumens ensure that a picture width of 227 cm is also possible. However, if room light is available, the picture should be a maximum of 151 cm wide. It was launched in 2014 and is no longer offered by the manufacturer HongTianPao.
