

HongTianPao LED106

HONGTIANPAO LED106

Brief Introduction

Beta 2.5

Manufacturer HongTianPao offers the LED106, a standard portable LCD LED projector with SVGA 800 x 600 resolution and a contrast of 800:1. The manufacturer specifies an LED service life of 20000 hours, which converts to over 13.7 years at 4 hours per day. As HongTianPao specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. The projector can illuminate a picture width of up to 95 cm well thanks to the 120 Ansi lumens. In room lighting, however, the picture width should ideally be less than 63 cm. The projector can also display 1080P without any problems. The model built in 2014 is no longer offered by HongTianPao.

Display Type

1 x LCD TFT Panel
SVGA 4/3 Liquid Crystal Display

Ansi-Lumen

350 / 2000 Lumen

117 Lux (200 cm Screen width)

Contrast
