The HongTianPao LED86C LCD projector has 168 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The service life of the lamp is up to 20000 hours, which is over 27.4 years with a daily viewing time of 2 hours. As HongTianPao specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. The projector can illuminate a screen width of up to 132 cm well with 168 Ansi lumens. In room lighting, however, the picture width should ideally be less than 88 cm. This model is no longer offered by HongTianPao.

1 x 5,8" LCD TFT Panel

WXGA 16/10 Liquid Crystal Display
