

InFocus IN124STx

INFOCUS IN124STX

The short-throw IN124STx 3D BrilliantColor DLP has 3700 Ansi lumens, a contrast of 14000:1 and an XGA 1024 x 768 resolution. Thanks to the short-throw projection ratio of just 0.65:1, the projector does not stand out in the room. For a 2m wide image, the projector only needs to be 130 cm away from the screen. Video signals 1080P and 3D are also no problem for the projector. This model is no longer offered by InFocus.
