

InFocus Vista II IN0046ST

IN FOCUS VISTA II IN0046ST

Brief Introduction

Beta 2.5

The short-throw InFocus Vista II IN0046ST 3D DLP projector has 4300 ANSI lumens, a contrast ratio of 30000:1 and a WXGA 1280 x 800 resolution. The lamp life is up to 15,000 hours, which would be over 20.5 years with a daily viewing time of 2 hours. Since it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only has to be 104 cm away from the screen. Video signals 1080P and 3D are also no problem for the projector. Compared to others, the projector is very quiet with an operating noise of 27 decibels.

1 x 0,65" Ti DMD DLP Chip
