

Infoto PCL-LT112XT

INFO TO PCL-LT112XT

With the PCL-LT112XT, manufacturer Infoto offers a short-throw LCD projector with XGA 1024 x 768 resolution and a contrast of 15000:1. The manufacturer Infoto specifies a lamp life of 10000 hours, which is over 13.7 years with two hours of use per day. With a projection ratio of just 0.46:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 92 cm away from the screen. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. Playing 1080P is also no problem for the projector. The model was built by Infoto in 2016 and is no longer current.

Brief Introduction

Beta 2.5

Display Type

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Ansi-Lumen

3600

1200 Lux (bei 200 cm Screen)
