

JAVES NRT 252

JAVES NRT 252

The standard portable NRT 252 LCD projector from JAVES has 435 Ansi lumens and a 320 x 240 resolution. The projector also offers an integrated media player with which files can be played directly. As JAVES specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. A picture width of up to 182 cm is possible. In room light, however, the image should be smaller. We recommend max. 121 cm. On the market since 2008, the model is no longer offered by the manufacturer JAVES.

1 x 2,5" LCD TFT Panel
32x 4/3 Liquid Crystal Display

Projector 150 500 Lumen Screen 50 Lux (200 cm Screen width)
