

Jmgo S3

EAN/UPC:6959422680007

J M G O S 3

A brief introduction to the Jmgo S3. The short-throw DLP laser projector has a UHD (4K2K) 3840 x 2160 resolution and a contrast of 4000:1. Manufacturer Jmgo specifies a service life of 30,000 hours, which translates to over 20.5 years at 4 hours of use. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. Thanks to the short throw projection ratio of just 0.233:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 47 cm away from the screen. Video signals 1080P and 4K as well as 3D are also no problem for the projector, which means that all Blu-ray formats currently available can be recognized by the projector. On the market since 2020, the model is no longer offered by the manufacturer Jmgo.

Brief Introduction

Beta 2.5

Display Type

DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 3000
