

JVC DLA HD1 / RS1U /B/W

JVC DLA HD1 / RS1U /B/W

Brief Introduction

Beta 2.5

With the DLA HD1 / RS1U /B/W, manufacturer JVC offers a DILA projector with HDTV 1920 x 1080 resolution and a contrast of 15000:1. The integrated lens shift gives freedom when positioning the projector. An image width of up to 269 cm is possible. However, the image should be smaller in room light. We recommend max. 179 cm. It is also Full HD 1080P compatible. At just 25 decibels, the device is one of the quieter projectors. The projector was launched in 2007 and is no longer sold by the manufacturer, but is still a popular projector in our database.
