

JVC DLA RS640

JVC DLA RS640

With the DLA RS640, manufacturer JVC offers a high-end home cinema DILA projector with UHD (4K2K) 3840 x 2160 resolution and a contrast of 1600000:1. The built-in lens shift function provides freedom when setting up. The projector can illuminate an image width of up to 454 cm thanks to its 2000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 303 cm. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all currently available Blu-ray formats can be recognized by the projector. At just 20 decibels, the device is one of the quieter projectors. The model was built by JVC in 2017 and is no longer current.

 3 x 0,7" DILA Chip

HDTV 16/9 Direct-Drive Image Light Amplification (D-ILA)
