

KIANO Elegance Pro

EAN/UPC:B0HB4V8ZSP

KIANO ELEGANCE PRO

A brief introduction to the Elegance Pro: The KIANO Standard Portable LED LCD Projector offers 900 ANSI lumens, a contrast ratio of 5000:1 and an HDTV resolution of 1920 x 1080. The manufacturer specifies an LED lifespan of 30,000 hours, which, based on four hours? viewing per day, would equate to over 20.5 years. As the projector features horizontal and vertical keystone correction, it can be set up with plenty of space in the room. Thanks to its 900 ANSI lumens, the projector can illuminate an image width of up to 163 cm effectively. However, in room lighting conditions, the image width should ideally be less than 109 cm. As the projector supports AirPlay and Miracast screen mirroring signals, it is possible to stream videos directly from a smartphone, tablet, PC (Android, Windows and iOS) via Wi-Fi. Another bonus worth mentioning is that the projector?s Bluetooth function allows it to be connected to external wireless speakers. Furthermore, the projector can play 1080p content without any issues.
