

Knoll Systems HDO2250

KNOLL SYSTEMS HDO2250

The Knoll Systems model HDO2250 is a DLP projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. 4500 Ansi lumens ensure that a picture width of 682 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. Playing 1080P and 3D is also no problem for the projector. The projector was launched in 2015 and is no longer sold by the manufacturer.
