

LG RD JS31

LG RD JS31

Brief Introduction

Beta 2.5

A brief introduction to the RD JS31: The LG standard portable DLP projector offers 1500 Ansi lumens, a contrast of 2000:1 and an SVGA 800 x 600 resolution. 1500 Ansi lumens ensure that a picture width of 337 cm is also possible. However, if room light is available, the picture should be a maximum of 225 cm wide. With only 30 decibels of operating noise, the model is very quiet compared to others. On the market since 2005, the model is no longer offered by the manufacturer LG.
