Features

Screen Mirroring

The Lightware L-1020 standard portable LCD projector has 609 Ansi lumens, a contrast of 150:1 and an XGA 1024 x 768 resolution. As Lightware specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. An image width of up to 215 cm is possible, as the projector has 609 Ansi lumens. However, if room light is available, the picture should be max. 143 cm wide. This model is no longer available from Lightware.

3 x LCD LCD TFT Panel
