

Maxell MC-AW3006

MAXELL MC-AW3006

The short-throw MC-AW3006 LCD projector from Maxell has 3300 Ansi lumens, a contrast of 16000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours every day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide picture, the projector only needs to be 60 cm away from the screen. Playing 1080P is also no problem for the projector. The projector was launched in 2018 and is no longer sold by the manufacturer.

3 x 0,59" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Projector	3300	Screen	1320 Lux (bei 200 cm Screen)
