

# Maxell MC-EW303E

MAXELL MC-EW303E

The standard portable MC-EW303E LCD projector from Maxell has 3000 Ansi lumens, a contrast of 4000:1 and a resolution. The service life of the lamp is up to 5000 hours, which is equivalent to over 6.8 years at 2 hours per day. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. A screen width of up to 556 cm is possible. However, the image should be smaller in room lighting. We recommend max. 371 cm. It is also Full HD 1080P compatible. The model built in 2013 is no longer offered by Maxell.

 3 x 0,59" LCD TFT Panel  
WXGA 16/10 Liquid Crystal Display
