

Mitsubishi WL639U

MITSUBISHI WL639U

The Mitsubishi model WL639U is an LCD projector with WXGA 1280 x 800 resolution and a contrast of 600:1. 3500 Ansi lumens ensure that a picture width of 601 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 401 cm. Even 1080P video signals are no problem for the projector. The model built in 2007 is no longer offered by Mitsubishi.
