

Nec NC3200S

NEC NC3200S

The Nec NC3200S E-Cinema 3D DLP projector has 33000 Ansi lumens, a contrast of 2200:1 and a HD2K 2048 x 1080 resolution. The projector can illuminate a screen width of up to 1582 cm thanks to its 33000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 1055 cm. Video signals 1080P and 3D are also no problem for the projector. It was launched in 2010 and is no longer offered by the manufacturer Nec, but is still very popular in our projector database.
