

Nec P502W

NEC P502W

Brief Introduction

Beta 2.5

The P502W 3D DLP projector from Nec has 5000 Ansi lumens, a contrast of 6000:1 and a WXGA 1280 x 800 resolution. The manufacturer Nec specifies a lamp life of 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. With the lens shift function, the projector can be positioned very freely. The projector can illuminate images up to 718 cm wide thanks to its 5000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, max. 479 cm is recommended. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). Video signals 1080P and 3D are also no problem for the projector. It was launched in 2015 and is no longer offered by the manufacturer Nec.
