

Nec VT37

NEC VT37

A brief introduction to the VT37: The Nec standard portable LCD projector offers 1500 Ansi lumens, a contrast of 400:1 and an SVGA 800 x 600 resolution. An image width of up to 337 cm is possible as the projector has 1500 Ansi lumens. However, if room light is available, the image should be a maximum of 225 cm wide. At just 28 decibels, the device is one of the quieter projectors. The model was built by Nec in 2005 and is no longer current, but is still one of the very popular projectors.
