

NexiPosket PV800 Pro

EAN/UPC:B0H6LQVVHP

NEXIPOSKET PV800 PRO

The NexiPosket PV800 Pro Standard Portable LED LCD Projector has 1,400 ANSI lumens, a contrast ratio of 2,000: 1 and an HDTV resolution of 1920 x 1080. The manufacturer, NexiPosket, specifies a lifespan of 30,000 hours, which equates to over 20.5 years based on four hours use per day. Horizontal and vertical keystone correction ensures effortless image setup. The projector is capable of illuminating an image width of 326 cm. However, if there is ambient light in the room, the image width should ideally not exceed 217 cm. Google TV transforms the projector into a smart entertainment centre with countless functions. The projector features Chromecast, AirPlay and Miracast screen mirroring support, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues.
