

ONAYO ONO1 Pro

ONAYO ONO1 PRO

Brief Introduction

Beta 2.5

A brief introduction to the ONO1 Pro: The ONAYO LED LCD projector offers 600 Ansi-Lumen, a contrast of 20000:1 and an HDTV 1920 x 1080 resolution. The lifespan of the LEDs is 120000 hours, which is equivalent to over 82.2 years at 4 hours per day. The horizontal and vertical keystone correction provides leeway when setting up. The projector can illuminate a picture width of up to 249 cm well thanks to the 600 Ansi lumens. In room light, however, the picture width should ideally be less than 166 cm. The projector has Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. Another extra is that the Bluetooth function allows the projector to be connected to external wireless speakers. The model is also Full HD 1080P and 4K (compressed) compatible.

Display Type

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

600 267 Lux (bei 200 cm Screen)
